#	Quantity	Name & Description (Product, Container, Cap, Label, etc.)	Shape	Size	Finished Product or Bulk Sample?

Please complete the above information and include this form in the shipping box(s) containing your samples/containers. This will ensure that we can process your quote request accurately and efficiently. Please include an MSDS on all applicable products. In accordance with OSHA regulations, Fluid Solutions must have proper documentation of all hazardous chemicals. Unfortunately, if an MSDS is not included, your shipment will be refused at the dock.

If a third party is sending items on your behalf, please forward this form to them to be included in the shipment.

Ship to:
Fluid Solutions
